## battle hymns

A soldier's letter to his wife, a speech by Abraham Lincoln, lyrics from Stephen Foster songs – these are the words of *battle hymns*, David Lang's innovative choral exploration of the feelings of people in times of war.

The Collegiate Chorale will be joined by the spectacular Manhattan Girls Chorus and talented members of the Veteran Artist Program. James Bagwell, Ted Sperling, and Edward Barnes come together to present a profoundly moving performance.

*Honoring*

Through networking, mentorships, and collaborations with the performing arts community, the Veteran Artist Program fosters and promotes artists who have returned from military service in Iraq and Afghanistan.

The evening's live auction will feature select and exclusive packages and will contribute to sponsor a group of *Side-by-Side* students and veteran artists to travel and sing with The Collegiate Chorale at the 2014 Verbier Festival in Switzerland.
