

Alto Notes  
12/9/24

We had a wonderful rehearsal with Guest Conductor David Fraley from Montclair State.

As usual for Blind Injustice, there are not many notes. Make sure to use resources on the website!

If you have the new pages for the two movements that were given out at rehearsal, please don't worry about the numbering and where in the book to put them. More info will be shared about that...

Ticket sales have already begun—please make sure you get the price range you need or want by getting it earlier than later, because we will most likely sell out!

4 of 6 exonerees will be present that both performances.
